

Clone of Contact Us - HCP

Whether you're a customer, job seeker, health or media professional, or an investor, you can find the best way to contact us from the options below.

Novartis UK Press Office

Please contact the Novartis UK press office for media and journalist inquiries.

Report a suspected side effect related to a Novartis pharmaceutical drug.

Contact us

Find contact details for all our sites across the UK.

Novartis Global Website Directory

Novartis businesses and research teams have a worldwide presence.

Reporting side-effects

If you get side-effects with any medication you are taking, talk to your doctor, pharmacist or nurse. This includes any possible side-effects not listed in the information leaflet that comes in the pack. You can report side-effects via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard.

By reporting side-effects you can help provide more information on the safety of your medication.
