The patient information leaflet (PIL) is the leaflet included in the pack with a medicine. It is written for patients and gives information about taking or using a medicine. It is possible that the leaflet in your medicine pack may differ from this version because it may have been updated since your medicine was packaged.

If you have any questions about your medication, ask your doctor, nurse or pharmacist and read the patient information leaflet provided with your medicine.

Reporting side-effects

If you get side-effects with any medication you are taking, talk to your doctor, pharmacist or nurse. This includes any possible side-effects not listed in the information leaflet that comes in the pack. You can report side-effects via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard.

By reporting side-effects you can help provide more information on the safety of your medication.
