Learn how to track your symptoms

A guide for MPN patients

Tracking your symptoms with Prof. Claire Harrison

UK | March 2021 | 109391

This video was produced by Novartis Pharmaceuticals UK Limited.
It is intended for patients diagnosed with a Myeloproliferative Neoplasm (MPN)
and should not be considered an alternative to advice from a healthcare professional.

VIDEO

A guide for MPN patients - tracking your symptoms with Professor Claire

Harrison

Join Professor Claire Harrison in this short video where she highlights the 10 key symptoms you should look out for, also known as the MPN10.

Detailed in this video are resources that you can use to track your symptoms, enabling you to map how they change over time with different treatments and interventions.

UK | November 2024 | FA-11208761

Reporting side-effects

If you get side-effects with any medication you are taking, talk to your doctor, pharmacist or nurse. This includes any possible side-effects not listed in the information leaflet that comes in the pack. You can report side-effects via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard.

By reporting side-effects you can help provide more information on the safety of your medication.
